11. Budget estimates of receipts and expenditure for the official year 1888—89.

Resolution.—The Board in passing the Budget as now amended observe that while the expenditure has been increasing every year, the income of the Municipality is almost stationary. To secure an equilibrium the Commissioners resolve that an application be made to Government for sanction to introduce the following additional taxes :—

1. Professional tax on those whom the existing Mohatarfa Rules do not touch at present.

2. Tax on piece-goods imported into the Town, at the same rates as those now prevailing in the Mysore Town.

3. Tax on kerosine oil at the rate of 2 annas per tin imported.

Adverting to the item (7) in the volume of expenditure, *viz.*, contribution to Girdlestone ward for incurable paupers, the Commissioners further resolved that owing to the large increase, in the Town, of the number of paupers requiring medical relief, and also in consideration of the inconvenience practically experienced in sending them to the Girdlestone ward on account of the distance and other causes, a separate ward be established in the Town as soon as practicable in connection with the Langarkhana; and that the monthly contribution now made to the Girdlestone ward be discontinued with the sanction of the Government after giving the Managing Committee of that Institution 3 months' notice.

A SRINIVASACHARLU, B. A.,
Vice-President.
